Each year, the Vatican, and many dioceses mark World Communications Day on the Sunday before Pentecost; this year May 21st. The Pope's theme for this year is: "Speak with the heart: Veritatem facientes in caritate" (Speaking the truth in love). Parishioners may give to this collection using their gift aid envelope or online at:

This Sunday 21st May is the Seventh Sunday of Easter. Fr Anthony Fyk offers some liturgical notes on our Diocesan Liturgy Project website. Waiting can be difficult at times. The sense of anticipation and even uncertainty can be daunting. This Sunday, we find ourselves waiting. We celebrated the Solemnity of the Ascension this past Thursday, and we look forward to Pentecost next Sunday. Yes, the physical presence of Jesus was no longer amongst his disciples and us, but a different presence of Jesus occurs – the presence of him in his Body, the Church.

CAFOD - Did you know that Church teaching says that we should not only support those in poverty but also tackle the root causes of poverty? Pope Benedict XVI said that "Love — caritas — is an extraordinary force which leads people to opt for courageous and generous engagement in the field of justice and peace." For decades CAFOD has spoken out against injustice. To find out more about our seeds campaign and get involved in tackling the root causes of poverty, please go to cafod.org.uk/latestcampaigns

CARITAS Wanting to volunteer? Caritas Portsmouth supports parishes and schools to become the 'church beyond walls' to help meet the needs in our local communities.

Our volunteer team help make this happen, by running and supporting specific projects, promoting our work within the parish/community and fundraising so we can get new projects off the ground. We would be delighted if you would join us. There are three key roles to consider

Caritas Parish Representatives: to be our link in your parish and keeping everyone up to date with our work, events, and campaigns

Caritas School Volunteers: to support our Project Officers with the school activities. We have some exciting initiatives to introduce and would be grateful for your help to reach our young people

Caritas Events Volunteers: we plan to run a rolling programme of events to learn about specific topics and explore solutions. We need both administrative and practical support to ensure the events run smoothly and safely
