CAFOD Harvest Fast day, A big thank you for your generosity for the recent Fast day appeal which raised £856. **Thank you also from CAFOD Campaigns.** Thank you to everyone who signed ‘Salina’s letter’ this summer. Salina is the small-scale farmer from Bangladesh who is calling on the World Bank to protect the rights of farmers over their own seeds. 70,000 parishioners in England and Wales signed the letter, and a third of all parishes took part. Salina said, “I am very happy to know about 70,000 signatures along with mine.” This helped CAFOD to secure initial meetings with World Bank staff, who heard the message that seeds are for all. This is a long struggle, but it is a very good start. Thank you for adding your voice.
